Dear Jim Crawford:

Just a word to correct my letter of yesterday —

There is one news story on Ronald Tammen in the MIAMI STUDENT one day after his disappearance. His photograph and a half-column story are on the front page of the MIAMI STUDENT, April 28, 1953. The information includes nothing that did not get into my account in THE MIAMI YEARS, pp. 282-285.

Yours,
